From the President's Desk

Dear Member

It is almost eight months since the present committee has taken over the functioning of the Association. After July 2011, since our first communication to you, we have had six executive committee meetings and followed up on our earlier pursuits of meeting the Principal and getting the College and Hospital campus cleaned up, amongst other agenda. We also appealed to the Hon'ble Mayor of Kolkata Municipal Corporation for change of address of our College and Hospital premises from Gorachand Road to Dr Sundari Mohan Avenue. The Alumni Association fund has been properly ledged in allocated heads, e.g. Association Corpus Fund, Medal and Prize Fund, Benevolent Fund, Oration Fund etc. and should be available to members for inspection. Our Life Membership Directory is almost ready after exhaustive efforts and we intend to publish and distribute it during our Re-union in February 2012. We have been able to organise the first Professor Subhas Mukhopadhyay Memorial

Oration as agreed during our last Re-union AGB meeting; this is to be held on the first day of our Re-union 2012. We have garnered more than 70 (seventy) life membership during the last 2 (two) years from the junior alumni. A special thanks to our ex-president, Dr. Pradip Kumar Saha and President -Elect, Dr. Ajay Kumar Ghosh for their efforts in this venture.

We lost Prof. Bijoy Kumar Biwas and Prof. Jyotirmoy Majumder, very dedicated senior teachers of our college and Prof. Samaresh Dey, a very senior alumnus and teacher of our college, this year. We have also lost our Alumni Dr. Sk. Nazrul Islam and Dr. Dipankar Mukherjee. We express our deepest condolence to their families.

We observed the Doctors Day on 1st July 2011 at our college GLT; the meet was attended by over 100 students, interns and junior and senior alumni, many of whom reminisced the legendary Dr B.C.Ray. We welcomed the interns and felicitated a member of our senior alumni, Dr. Nepal Bhowmik. This years Bijoya Sanmilani and Annual Mid-term get together on 23.10.2011 was an entertainment extravaganza; more than 115 persons including alumni from all age groups – junior to most senior – attended the steamer party (Sumangal) with their families and enjoyed the evening with music and dinner.

As winter approaches, we all, are getting ready for our 61st re-union to be held from 3rd to 5th February 2012. My special thanks to our Secretary, Dr. Rathin Haldar, Treasurer, Dr. Sujit Kumar Dey, Re-union Organising Secretary, Dr. Santanu Bhakta and all the committee members for their efforts and support. I request all alumni to join us in this fellowship event and make it memorable.

With regards

Dr Subrata Chatterjee

From the Desk of the Editor

It is my pleasure to address you with heartiest welcome after the major festival day – Annual Mid-term get together. Our great festival – the 61st Re-union 2012 is knocking at the door.

Natmeds are enjoying the Re-union days each and every year – but the overall preparation of the event depends on full cooperation, exchange of ideas and views amongst each other from all Natmeds from every nook and corner of the world.

We are waiting for you friend.

Long live Alma mater

From the Desk of Hony. Secretary Alumni Association

Dear Alumni,

Wishing a happy and prosperous New Year to you and your family. We have started working from 1st April 2011. Beside all routine work we undertook release of 1st bulletin, Doctor's Day Celebration Annual get together, Life Member drive, Life Member directory and of course the work of re-union 2012. We have updated the Alumni Account and credit goes to treasurer Dr. Sujit De.

Our Alumni have organised Re-union at Naihati, Delhi, UK and other places. Today's students are tomorrow's Alumni. We have very good relation

with the present students and student union. Apple to new young Alumni like interneer and house staff to be a active member of Alumni within their busy schedule. Our good wishes are always for their success.

'Reunion is knocking at the door. Let us work together to prove again that in the East and West NATMED is the best.'

I like to convey my heartfelt gratitude to our President Dr. Subrata Chatterjee for his excellent work and all the EC members for their constant support.

With worm regards

Prof. R. N. Haldar

Alumni Association

From the Desk of the Treasurer Alumni Association

Dear Members

I convey my sincere thanks to the President, Secretary and the other Executive Committee members of the Alumni Association for making the Annual Mid-term get together on the 23rd October 2011, a grand success. My heartiest thanks to our beloved Ex-president, Prof Pradip Kumar Saha for his continuous effort in Life membership drive and for always encouraging us in our activities.

The details of our funds at different banks as desired by the members present in the last AGM and also by the present Executive committee, are given below :

| | |
|---|-------------------|
| Corpus fund | : Rs 21,55,000.00 |
| Medals and Awards fund | : Rs 2,60,000.00 |
| Dr M N Sarkar & Dr Subhas Mukhopadhyay Oration fund: | Rs 1,00,000.00 |
| (Previous year Rs 58,458.00) | |
| Benevolent fund (Previous year Rs 1,21,677.00) | : Rs 2,00,000.00 |

Our Doctors day programme was also a successful event and we managed to create a surplus amount of Rs 20,000.00. We have donated Rs 5000.00 to our Ex student, Dr. Palash Barua, for his treatment from our Benevolent fund. We have expressed our condolences to the families of our great teachers, viz., Prof Bijoy Biswas, Prof Samaresh Chandra De and Prof Jyotirmoy Majumder, whom we lost during this year.

We are trying to maintain our expenditure as per our proposed budget but we are facing difficulty to meet certain expenses like audit and accounts, website maintenance, cable subscription, telephone bills etc due to recent inflation in the market.

Our important objective is to publish the Life membership directory – we are trying to raise funds for the said publication. I would like to inform all members that a separate ledger book (hard copy) of Alumni Association fund has been opened and can be inspected by interested members.

With regards

Dr Sujit Kumar De

Doctor's Day - 2011

CALL FOR CELEBRATION OF 61 ST RE-UNION 2012

An Appeal:

From the Desk of the Organising Secretary Reunion 2012.

Happy New Year to all of my NATMED friends. At the outset, I would like to thank all my colleagues and alumni members for actively helping me in the preparatory phase of the re-union, the gala event, that is held in the first weekend of February of each year. This year the dates are 3rd, 4th and 5th February 2012 – Friday, Saturday and Sunday.

Despite all support from all corners of the state and outside the accumulated fund position is very poor so far. Two things are very important in any event to be held – first one is the financial support, which is very sleepy till now; second one

is attendance of the members, which should be spontaneous as this is a re-union of our mother institution.

In the inaugural ceremony, Swami Suparnananda Maharaj, Secretary, Narendrapur Ramkrishna Mission Ashram will be the chief guest. Professor Susanta Kumar Bandopadhyay, Director of Medical Education and Ex-Officio Secretary of H&F welfare department Govt. of W. Bengal will be guest of honour. Professor R. N. Chattopadhyay, Principal CNMC will be also present.

Our second day re-union banquet will be held in the Eastern Railway Officers Club, Belvedere Road. Third day Cultural Function will be illuminated by one eminent "Bangla Band" followed by an eminent contemporary singer.

My appeal goes to all of you for your active participation in this three day gala event of CNMC Re-union 2012. This goes without mention that, without your active participation and support both physically and financially, the re-union will not be successful.

With best regards

Yours truly
